

ALL proceeds from our Annual Golf Scramble event will help fund the “Level the Field” project, benefitting students in need of financial assistance to participate in extra-curricular sports activities. The Sequim Association of Realtors®, partnering businesses and various individuals raise money through the “Level the Field Project” to help cover the fee required to participate in extra-curricular activities at Sequim High School. Any student or family who cannot afford the “Pay to Play” fee can mark a box indicating a need on the sign-up form when registering for their sport and the fee will be covered.

Go Sequim!
