

Save the date July 11, 2025 for our annual Level the Field Sequim Association of REALTORS® Charity golf scramble.

ALL proceeds from our Annual Golf Scramble event will help fund the “Level the Field” project, benefitting students in need of financial assistance to participate in extra-curricular sports activities. The Sequim Association of Realtors®, partnering businesses and various individuals raise money through the “Level the Field Project” to help cover the fee required to participate in extra-curricular activities at Sequim High School. Any student or family who cannot afford the “Pay to Play” fee can mark a box indicating a need on the sign-up form when registering for their sport and the fee will be covered.

Go Sequim!

In 2024 Sequim Association of REALTORS® donated \$10,075.00 to Sequim High School to support high school athletics.

Attached are the sponsorship and team registration forms. We will gladly accept any donation amount; you do not have to have a team or sponsor a hole.

We have a Room Block at 7 Cedars - Here is the link-
